

ROOTED WORD — PRIVACY POLICY

Last updated: November 2025

Rooted Word (“the App”) is committed to protecting your privacy. This Privacy Policy explains how we collect, use, and safeguard your information when you use our application.

1. Information We Collect

Rooted Word allows you to use the app without an account (Guest Mode). If you choose to sign in using Google or Email/Password, we collect the following information:

- Name
- Email address
- Phone number
- Authentication provider (Email or Google)
- Account creation date
- Last login date
- Encrypted password (we cannot see actual passwords)

App Usage Information:

- Analytics (feature usage, screen views, app interactions)
- Crash logs

User-Generated Content:

- Favorites, bookmarks, highlights, notes, recent history, cross references, daily streaks

2. How We Use Your Information

We use your information to provide app features, sync content, improve performance, enhance stability, and respond to support requests. We do not sell, rent, or trade your information.

3. Where Your Data Is Stored

All user data is securely stored using Supabase (authentication, database, encryption).

4. Third-Party Services

Rooted Word does not use or display any external content or third-party links.

5. Data Protection & Security

Your information is protected through encryption, secure communication, and industry-standard Supabase security practices.

6. Your Rights

You may use the app without an account, delete your content, or request full account/data deletion.

7. Account & Data Deletion

To delete your account and all associated data, email: Hope.adebayo02@gmail.com

8. Children's Privacy

Rooted Word is not intended for children under 13.

9. Changes to This Policy

We may update this policy periodically. Continued use indicates acceptance.
